

NOW HIRING

SNOW SEASON GENERAL MAINTAINERS

The Port Authority of NY & NJ is seeking candidates with well-rounded experience in a variety of manual and semi-skilled construction trades for the Building Construction/General Maintainer position. General Maintainers are general laborers who carry-out critical maintenance work that enables our facilities to remain safe and operational for the traveling public.

This position offers full health and retirement benefits, participation in the New York State and Local Employees' Retirement System, on-site CDL training, and most importantly, the opportunity for growth! The General Maintainer position is often the entry-point for many maintenance career paths at the Port Authority.

Check out the link below and search for Job ID 31009 to apply to the General Maintainer position!
