Bus Company

JOIN THE LARGEST PUBLIC TRANSPORTATION AUTHORITY IN NORTH AMERICA AS A

FACILITIES SUPERVISOR (Building Maintenance)

Job Vacancy No. 95938

DO YOU WANT TO BE A PART OF THE MTA BUS FLEET MODERNIZATION PLAN?

The time is now to be part of the solution to move us Fast Forward. Join MTA Bus Company as a Facilities Supervisor (Building Maintenance). There are multiple opportunities available for Facilities Supervisor (Building Maintenance) who have a passion for public service. Our goal is to provide our customers and employees with safe, reliable, and clean buses for service and ensuring all vehicle systems, components, and accessories meet industry work standards.

SALARY: The current minimum salary is \$36.76 per hour with increments to \$41.78 per hour in the sixth year.

JOB DESCRIPTION: Facilities Supervisors supervise maintainers performing the installation, maintenance and repair of structural, electrical and mechanical equipment and systems. They supervise work in various construction/building trades, such as HVAC, plumbing, electrical, carpentry, masonry, painting and ironwork in bus depots and maintenance facilities. They plan work; use a computerized information system to access data; research technical problems; forecast material; tools and equipment requirements; keep records and write reports; and perform related work.

EDUCATION AND EXPERIENCE: By the last date of posting, you must

- 1. Be employed as a Facility Maintainer, MTA Bus Company on the date of the interview and not otherwise ineligible; or
- 2. Have three years of full-time experience as a journey-level mechanic (i.e., fully trained, proficient, knowledgeable, experienced, and competent) performing electrical, HVAC or electro-mechanical work.

DRIVER LICENSE REQUIREMENT: At the time of appointment you must have either (A) a Commercial Driver License (CDL) valid in the State of New York with no disqualifying restrictions that would prevent you from performing the duties of this title; or (B) a Motor Vehicle Driver License valid in the State of New York and a Learner Permit for a Class B CDL valid in the State of New York with no disqualifying restrictions that would prevent you from performing the duties of this title; or (B) a Motor Vehicle Driver License valid in the State of New York and a Learner Permit for a Class B CDL valid in the State of New York with no disqualifying restrictions that would prevent you from performing the duties of this title.

DESIRED SKILLS:

- Thorough knowledge of facilities maintenance operations and procedures
- Excellent oral and written communication skills and supervisory skills
- Thorough knowledge of the building trades (e.g., electrical, HVÁC, plumbing, carpentry, masonry, painting, ironwork)
- Ability to forecast materials, tools and equipment requirements
- · Ability to use computerized systems related to facilities maintenance work

The benefits of this position include, but are not limited to, paid holidays, vacation and sick leave, a comprehensive medical plan and pension plan.
