
Electrician Jobs At The Port Authority Start at \$35/Hr.

**Experience is Required;
Written, Practical Tests**

**Trades Helper Posts
Also Available**

The Port Authority of New York and New Jersey is accepting applications from experienced electricians. The starting salary is \$35.29 an hour.

Lower-Paying Helper Job

Applicants who do not meet the qualifications for the Electrician level may be considered for Trades Helper Electrician jobs. The starting salary for a Trades Helper Electrician is \$21.90 an hour.

Electricians are responsible for the installation, maintenance and repairs of various electrical equipment that keeps The Port Authority rolling. They use their knowledge to work on projects related to generators, motors, fire-alarm systems, toll equipment, traffic signals, control boxes and automatic electrical systems.

Electricians also grow their skills in a wide variety
